USING THE FIELD UTILITY BELT

- The Field Utility Belt has everything you need for outdoor adventure, right at your fingertips!
- Put the Field Utility Belt around your waste and clip the ends of the buckle together until they snap. Adjust the back of the belt until it feels snug.
- Store the Bug Vacuum (sold separately) in the vac holster for quick draw in the field so you'll always be ready to suck up bugs in an instant.
- Scoop up cool artifacts or critters using the specimen collection container.
- Support a hammer, rock pick, or other sturdy tool on the handy tool holder. Great for going on digs or searching for fossils.
- Load up the Velcro® pouch with a wallet, snacks, or other essential stuff for long journeys.
- Use the retractable Field Compass to always know where you are and where you're going.
- The adjustable D-rings can be used to clip on any variety of Essential Field Gear from the Backyard Safari™ collection. Swap out gear to customize your Field Utility Belt for each and every exploration!

FEATURES

- Adjustable belt system provides a custom, comfortable fit
- Sturdy clip buckle supports all of your gear

CARING FOR THE FIELD UTILITY BELT

- Occasionally wipe the Utility Belt and accessories with a damp cloth to keep them clean and looking new.
- Use under normal and safe play conditions only.
- When not in use, store the Field Utility Belt in a clean, dry area and do not leave exposed to the elements.
- Occasionally, after use, inspect the Utility Belt and accessories before putting them away.
- Remember, if you follow the instructions and keep the Field Utility Belt clean, it will provide you with tons of fun.

CAUTION SAFETY AND CARE

Lastly, remember you are using the Field Utility Belt to help you explore and learn about living creatures in nature. The Field Utility Belt is not to be used to harm or injure any living thing. If you do keep the things you catch, make sure to place them in a proper, food and air filled container where they can be safe OR look, learn and then let them go safely back where you found them.

Be very gentle when handling animals. Never harm them in any way. Remember, it is your responsibility to use the Field Utility Belt properly. Always respect nature.
