

CLIP-ON MINI LANTERN

A LITTLE LIGHT ON THE SUBJECT

Clip, carry, or hang this rugged MINI LANTERN. Field ready and within easy reach, it provides instant light and clips right to your Backyard Safari™ FIELD CARGO VEST.

Instructions:

To turn on the MINI LANTERN, slide the front switch to the right. Use the carabiner clip to hang the lantern wherever you want.

⚠ BATTERY CAUTION: READ AND SAVE THESE INSTRUCTIONS.

Only adults should replace batteries. Do not mix old and new batteries or different types of batteries. Do not mix alkaline, standard (carbon-zinc) or rechargeable (nickel-cadmium) batteries. Dispose of old batteries promptly and properly. Do not burn or bury batteries. Replace the batteries when the MINI LANTERN stops operating properly or the light becomes dim. Batteries can leak chemicals and harm electronic parts, so remove them if you do not plan to use your MINI LANTERN for several weeks.

- Use only fresh batteries of the required size and recommended type.
- Non-rechargeable batteries are not to be recharged.
- Be sure the batteries are inserted with the correct polarity.
- Exhausted batteries should be removed from the MINI LANTERN.
- The supply terminals are not to be short-circuited.

INSTALLING/CHANGING THE BATTERIES:

The MINI LANTERN requires 3 x 'AAA' batteries (not included). Using a phillips-head screwdriver, loosen the screw on the battery compartment and lift the cover. Remove the battery cover from the bottom of the MINI LANTERN carefully. Install 3 x 'AAA' batteries into the compartment, being careful to match the polarity as indicated (+ and -). Replace the cover over the compartment and tighten the screw.

COMPLIANCE WITH FCC REGULATIONS:

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) this device may not cause harmful interference,
- (2) this device must accept any interference received, including interference that may cause undesired operation

⚠ CAUTION: Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
